Please select the courses that you would like your child to take for the upcoming 2026-2027 school year in the 9th grade. Check the High School Program of Studies Booklet on the High School Website to be sure your child is eligible for the courses you are selecting. The High School Counselors will be meeting with your child on one of the following dates March 2nd, 3rd, 4th or 5th during Social Studies Class.

Each student must select:

- English 9
- Mathematics
- History
- Science
- Health & Phys. Ed.
- Lunch (With Special Permission, students can opt out of a Lunch Period to take an additional class)
- 2 Electives (World Language is considered an Elective for those students choosing to take a World Language their freshman/9th grade year).

Special Notes:

* Semester Courses are half-year courses so students must choose 2 of them to cover the entire school-year.

Please select 5 additional Alternative Electives just in case other choices are filled and not available.

Please make sure signatures are completed at the bottom of the Course Selection Sheet.

Please have your child BRING the Course Selection Sheet to the library the week of March 2nd when their class is scheduled to meet with the High School Counselors. Your child should check with their teacher to see which day they are scheduled to meet.

Sincerely,
