

The Winslow Township Parent Advocacy Committee is Here for You!

What is the P.A.C.?

The Parent Advocacy Committee consists of a panel of parents who meet on a regular basis with the District Superintendent, Dr. Poteat in order to discuss issues relating to our schools. The panel consists of one representative from each of the eight Winslow public schools. Each member gathers questions, comments, concerns and feedback from parents and presents them to Dr. Poteat at monthly meetings. Answers are then relayed back to the parents via the school's monthly H.S.A. meetings.

What Questions are appropriate for the P.A.C.?

Dr. Poteat welcomes any questions concerning the Winslow School district; however, questions concerning your child's individual progress should be directed first to your child's teacher and/or building Principal. If you are unsure whether a topic is appropriate for the PAC, just ask. That's what we're here for!

How do I get involved?

There are only one Parent Advocacy Committee member and one alternate from each school. Members are chosen or elected from each school's HSA/PTO. Whether or not you are a member, you can still get involved by attending your school's HSA meetings. Each PAC representative reports to their school at HAS meetings each month. The PAC rep for the Middle School is Debbie Esposito who can be contacted at debi.espo@yahoo.com, or, if you choose, you may contact the PAC, through the link provided on the District website.
